

SPECIAL SCHOOL DISTRICT HEALTH SERVICES

PROTOCOL TO REMAIN AT HOME DUE TO A HEALTH CONDITION

STUDENT _____ DATE _____

In order to benefit from the planned educational program, wellness is essential and the goal is to prevent the spread of any actual or suspected communicable or contagious disease. Therefore, any individual who exhibits the following symptoms should remain at home or be excused from school.

1. Unresponsive or unable to maintain an awakened state.
2. Temperature over 100 F. Temp. _____
3. Bad cough or difficulty breathing
4. Abnormal drainage
5. Complaints of a sore throat, difficulty swallowing-with fever.
6. Vomiting or diarrhea
7. Unidentified and/or widespread rash.
8. Persistent pain (ear, stomach, etc.)
9. *Other:* _____

Student may return on _____, when symptoms have been absent for 24 hours without the use of fever-reducing medicine (e.g. Tylenol or Motrin) before returning to school.

Thank you for helping to maintain a healthy learning environment for our students and staff!

**In case of serious illness or hospitalization, Licensed Care Provider release may be necessary for return to school.*
